109 Queen's Crescent,
San Antonio, Texas

Dear Holland:

It was good to hear from you again and I am sorry that I did not get to see you during the last hectic days before I took off for Europe. I had a splendid trip and will tell you more about it the next time you are in town over a drink.

You may rest assured that I will do everything I can to help Vic Creighton. As you undoubtedly know the project of Eastern Airline's direct service across the Gulf from New Orleans to Mexico City has taken a leap forward and service should be inaugurated in a matter of several months. This will certainly help the development of business.

The Fortune story was "bang-up", but then over the years I have come to expect nothing less in anything you lay your hand to.

Sincerely,

Clay Shaw,
